*A Veteran-Owned (VOSB), Minority-Owned Small Business Transport Logistics company with a growing base in southwest Florida*

**Our Capability Statement**

**Core Competencies:** Our mission is to assist Rehabilitation Facilities in our community to quickly and easily get their residents to appointments safely by providing timely interactive transport. We specialize in solving complex transportation problems in a patient-friendly, compassionate manner. Our highly trained, professional employees always go the extra mile to ensure our customers and their families have a good experience when using our services. Utilizing our service can result in significant overhead reduction

**Capabilities:** MediCab is an expert in Non-Emergency Patient Transportation and logistics. Our area of concentrated operation is Lee County, serving Fort Myers, Cape Coral, North Fort Myers, Lehigh Acres, Estero, and the surrounding counties: Glades County, Hendry County, Collier County and the State of Florida, where a need is applicable

- ADA compliant vehicles
- Accommodating all forms of wheelchairs.
- Bariatric Stretcher (BS) transport and wheelchair transport up to 700 pounds.
- Oxygen carried on transports
- Multiple hydraulic stretchers that provide safety for the operator and for the patients.
